

REBECA REYES GARCÍA

Grupo de Investigación: **METABOLISMO OSEO** (Cod.: CTS633)

Departamento: Sistema Sanitario Público de Andalucía. Hospital Universitario San Cecilio

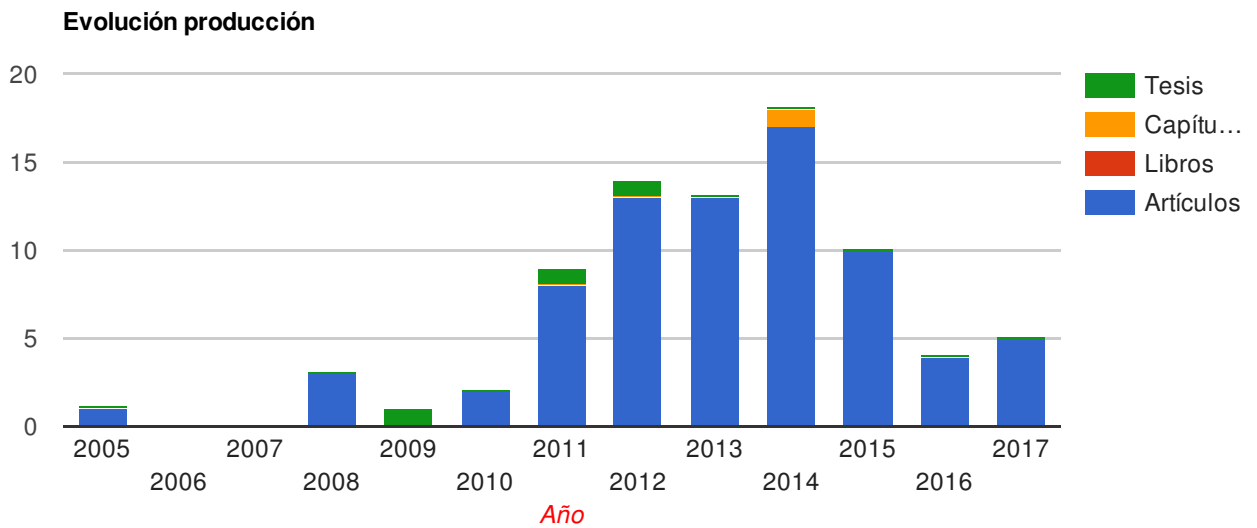

Código: 20003978

Ficha del Directorio

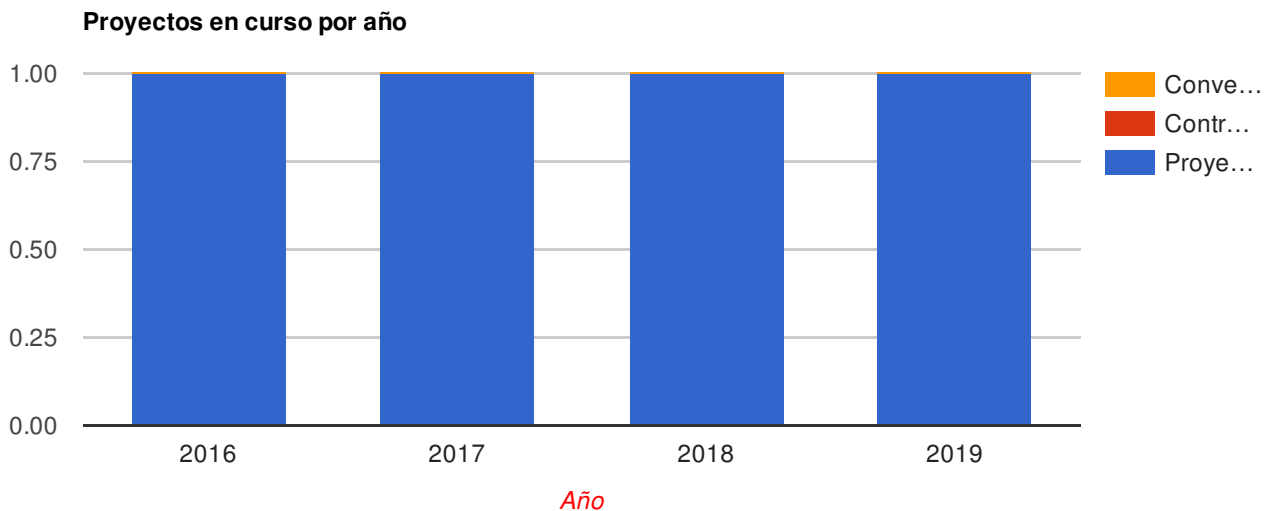

Producción 80

Artículos (76) Libros (0) Capítulos de Libros (1) Tesis dirigidas (3)

Proyectos dirigidos 1

Proyectos (1) Contratos (0) Convenios (0)

Actividades 1

Título publicación	Fuente	Tipo	Fecha
Non-alcoholic fatty liver disease and diabetes.	Medicina clínica	Articulo	2017
Recommendations on the effect of antidiabetic drugs in bone.	Endocrinología, diabetes y nutrición	Articulo	2017
Recommendations on the effect of antidiabetic drugs in bone.	Endocrinología, diabetes y nutrición	Articulo	2017
Recommended vitamin d levels in the general population	Endocrinología, diabetes y nutrición	Articulo	2017
Recommended vitamin d levels in the general population.	Endocrinología, diabetes y nutrición	Articulo	2017
Daily intake of milk enriched with n-3 fatty acids, oleic acid, and calcium improves metabolic and bone biomarkers in postmenopausal women	Journal of the american college of nutrition	Articulo	2016
Daily intake of milk enriched with n-3 fatty acids, oleic acid, and calcium improves metabolic and bone biomarkers in postmenopausal women.	Journal of the american college of nutrition	Articulo	2016
Relationship between myostatin and irisin in type 2 diabetes mellitus: a compensatory mechanism to an unfavourable metabolic state?	Endocrine journal	Articulo	2016
Relationship between myostatin and irisin in type 2 diabetes mellitus: a compensatory mechanism to an unfavourable metabolic state?	Endocrine journal	Articulo	2016
Antioxidant proteins with the severity of cardiovascular disease in type 2 diabetes mellitus	International journal of molecular sciences	Articulo	2015
Asociación entre 25-hidroxivitamina d y resistencia a la insulina en mujeres posmenopáusicas	Revista clinica española	Articulo	2015
Circulating sclerostin and estradiol levels are associated with inadequate response to bisphosphonates in postmenopausal women with osteoporosis	Maturitas	Articulo	2015
Circulating sclerostin and estradiol levels are associated with inadequate response to bisphosphonates in postmenopausal women with osteoporosis.	Maturitas	Articulo	2015
Clinical effects of liraglutide in a real-world setting in spain: edidiabetes-monitor seen	Endocrinología y nutrición	Articulo	2015
Las fracturas vertebrales en pacientes con diabetes tipo 2 esta¿n asociadas a elevados niveles del receptor activado por proliferacio¿n de peroxisomas	Revista de osteoporosis y metabolismo mineral	Articulo	2015
Los niveles de pparg esta¿n asociados con la supresio¿n de la vi¿a wnt, la calcificacio¿n aor¿tica y la enfermedad cardiovascular en diabetes tipo 2.	Revista de osteoporosis y metabolismo mineral	Articulo	2015
Low serum 25-hydroxyvitamin d levels are associated with wnt signalling pathway in cardiovascular disease	Ibms bonekey	Articulo	2015
Relationship between proinflammatory and antioxidant proteins with the severity of cardiovascular disease in type 2 diabetes mellitus.	International journal of molecular sciences	Articulo	2015
[update of recommendations for evaluation and treatment of osteoporosis associated to endocrine and nutritional conditions. working group on osteoporosis and mineral metabolism of the spanish society of endocrinology].	Endocrinología, diabetes y nutrición	Articulo	2015
Bajos niveles de 25 hidroxí-vitamina d como represores de la vía de señalización wnt en calcificación aórtica y aterosclerosis	Revista de osteoporosis y metabolismo mineral	Articulo	2014
Bone turnover markers in patients with prostate carcinoma: influence of sex steroids levels.	Journal of bone and mineral metabolism	Articulo	2014

Cardiovascular risk factors in patients with asymptomatic primary hyperparathyroidism.	Endocrinología, diabetes y nutrición	Articulo	2014
Comparative effect of denosumab vs teriparatide on bone and energy metabolism	Bone abstracts	Articulo	2014
Concentraciones de miostatina y resistencia a la insulina en mujeres postmenopáusicas	Revista clinica española	Articulo	2014
Consensus statement: recommendations for the management of metabolic bone disease in human immunodeficiency virus patients	Enfermedades infecciosas y microbiología clínica	Articulo	2014
Efectos del tratamiento antirresortivo y osteoanabólico sobre el metabolismo energético: papel hormonal de proteínas óseas y músculoesqueléticas	Revista de osteoporosis y metabolismo mineral	Articulo	2014
El hueso como órgano endocrino y su conexión con el metabolismo energético.el hueso en las enfermedades endocrinas y nutricionales	El hueso en las enfermedades endocrinas y nutricionales	Capítulo de libro	2014
Esclerostina circulante como predictor de enfermedad cardiovascular en pacientes con diabetes tipo 2	Endocrinología y nutrición	Articulo	2014
Fgf23 in type 2 diabetic patients: relationship with bone metabolism and vascular disease	Diabetes care	Articulo	2014
Fgf23 in type 2 diabetic patients: relationship with bone metabolism and vascular disease.	Diabetes care	Articulo	2014
How to prevent and treat pharmacological hypoglycemias	Revista clinica española	Articulo	2014
Osteocalcina como nexo de unión entre metabolismo óseo y metabolismo energético	Nutrición hospitalaria	Articulo	2014
Relación entre niveles séricos de miostatina y metabolismo oseo en pacientes con diabetes mellitus tipo 2 y controles sanos	Revista de osteoporosis y metabolismo mineral	Articulo	2014
Relationship of dickkopf1 (dkk1) with cardiovascular disease and bone metabolism in caucasian type 2 diabetes mellitus	Plos one	Articulo	2014
Sclerostin serum levels in prostate cancer patients and their relationship with sex steroids	Osteoporosis internacional	Articulo	2014
Serum myostatin and insulin resistance in postmenopausal women	Diabetologia	Articulo	2014
Vitamina d y homeostasis glucídica en mujeres con osteoporosis posmenopáusica	Endocrinología y nutrición	Articulo	2014
Atherosclerotic disease in type 2 diabetes is associated with an increase of sclerostin levels	Diabetes care	Articulo	2013
Bone turnover markers in patients with prostate carcinoma: influence of sex steroids levels	Journal of bone and mineral metabolism	Articulo	2013
Bariatric surgery in type 1 diabetes	Journal of endocrinological investigation	Articulo	2013
Diabetes and osteoporosis: action of gastrointestinal hormones on the bone	Revista clinica española	Articulo	2013
Diabetes and osteoporosis: action of gastrointestinal hormones on the bone	Revista clinica española	Articulo	2013
Is treatment with liraglutide efficient?	Endocrinología y nutrición	Articulo	2013
Ischemic heart disease is associated with vertebral fractures in patients with type 2 diabetes mellitus.	Journal of diabetes investigation	Articulo	2013

Normocalcemic primary hyperparathyroidism: recommendations for management and follow-up	Endocrinología y nutrición	Articulo	2013
Osteocalcin: a link between bone homeostasis and energy metabolism	Endocrinología y nutrición	Articulo	2013
Position statement: hypoglycemia management in patients with diabetes mellitus	Endocrinología y nutrición	Articulo	2013
Retinal toxicity due to antimalarials: frequency and risk factors	Reumatologia clinica	Articulo	2013
Serum osteoprotegerin: bone or cardiovascular marker in type 2 diabetes males?	Journal of endocrinological investigation	Articulo	2013
Stroke in a patient with marked thinness, diabetes mellitus and basal ganglia calcifications	Endocrinología y nutrición	Articulo	2013
An unusual association of neuroendocrine tumors in men 1a.	Pituitary	Articulo	2012
Diagnosis and management of bilateral diaphyseal femoral fracture.	Endocrine	Articulo	2012
Evaluación del papel de la > esclerostina serica en el metabolismo oseo de pacientes con diabetes > mellitus tipo 2	Universidad de granada. facultad de medicina	Tesis doctoral	2012
Gonadotropins are related to lean mass in healthy postmenopausal women	Endocrine research	Articulo	2012
Normocalcemic primary hyperparathyroidism: one-year follow-up in one hundred postmenopausal women	Endocrine	Articulo	2012
Normocalcemic primary hyperparathyroidism: one-year follow-up in one hundred postmenopausal women	Endocrine	Articulo	2012
Normocalcemic primary hyperparathyroidism: one-year follow-up in one hundred postmenopausal women.	Endocrine	Articulo	2012
Relationship between serum levels of osteocalcin and atherosclerotic disease in type 2 diabetes.	Diabetes metab	Articulo	2012
Relationship between serum levels of osteocalcin and atherosclerotic disease in type 2 diabetes.	J clin endocrinol metab	Articulo	2012
Role of serum fsh measurement on bone resorption in postmenopausal women.	Endocrine	Articulo	2012
Shbg levels are associated with bone loss and vertebral fractures in patients with prostate cancer.		Articulo	2012
Treatment holidays in patients with postmenopausal osteoporosis: in who and when?	Endocrinologia y nutrición	Articulo	2012
Treatment holidays in patients with postmenopausal osteoporosis: whom and when?].	Endocrinología y nutrición	Articulo	2012
[clinical practice guidelines for evaluation and treatment of osteoporosis associated to endocrine and nutritional conditions. bone metabolism working group of the spanish society of endocrinology].		Articulo	2012
Adiponectin and leptin serum levels in osteoporotic postmenopausal women treated with raloxifene or alendronate.	Menopause	Articulo	2011
Cardiovascular disease and bone metabolism.	Endocrinología y nutrición	Articulo	2011
Cardiovascular disease, osteoporosis and risk of fracture.	Rev clin esp	Articulo	2011
Esteroides sexuales y shbg en pacientes con carcinoma de próstata: relación con el metabolismo óseo	Universidad de granada. facultad de medicina	Tesis doctoral	2011
Results from a national survey on the management of primary hyperparathyroidism	Journal of endocrinological investigation	Articulo	2011
Serum osteoprotegerin and sex steroid levels in patients with prostate cancer	J androl	Articulo	2011

caracter.

Serum 25 oh vitamin d concentrations and calcium intake are low in patients with prostate cancer.	Endocrinol nutr	Articulo	2011
Serum levels of bone resorption markers are decreased in patients with type 2 diabetes.	Acta diabetol.	Articulo	2011
Retos diagnósticos del metabolismo fosfocalcico en una misma paciente	Revista de osteoporosis y metabolismo mineral	Articulo	2011
Effects of alendronate treatment on serum levels of osteoprotegerin and total receptor activator of nuclear factor kappa b in women with postmenopausal osteoporosi. (en prensa).	Menopause	Articulo	2010
Osteocalcin and atherosclerosis: a complex relationship	Diabetes research and clinical practice	Articulo	2010
Importancia de la osteoprotegerina en la enfermedad metabólica ósea y enfermedad cardiovascular de pacientes con diabetes mellitus tipo 2	Universidad de granada. facultad de medicina	Tesis doctoral	2009
Effects of raloxifene therapy on circulating osteoprotegerin and rank ligand levels in post-menopausal osteoporosis	Journal of endocrinological investigation	Articulo	2008
Large-scale elisa testing of spanish red deer for paratuberculosis	Veterinary immunology and immunopathology	Articulo	2008
Neonatal diabetes: genetic implications in treatment	Endocrinología y nutrición	Articulo	2008
Calcium and phosphorus metabolism and lithogenic factors in patients with osteoporotic fracture	Actas urológicas españolas	Articulo	2005

	Título proyecto	Tipo	Inicio	Fin
1	Enfermedad cardiovascular, metabolismo óseo y actividad inflamatoria en artritis reumatoide	Proyecto	5/11/16	

Actividades 1

Título actividad	Fuente	Tipo	Fecha
Metabolismo mineral óseo. biomarcadores		Grupos y equipos de investigació	Jan 1, 2010
