Ficha del Directorio

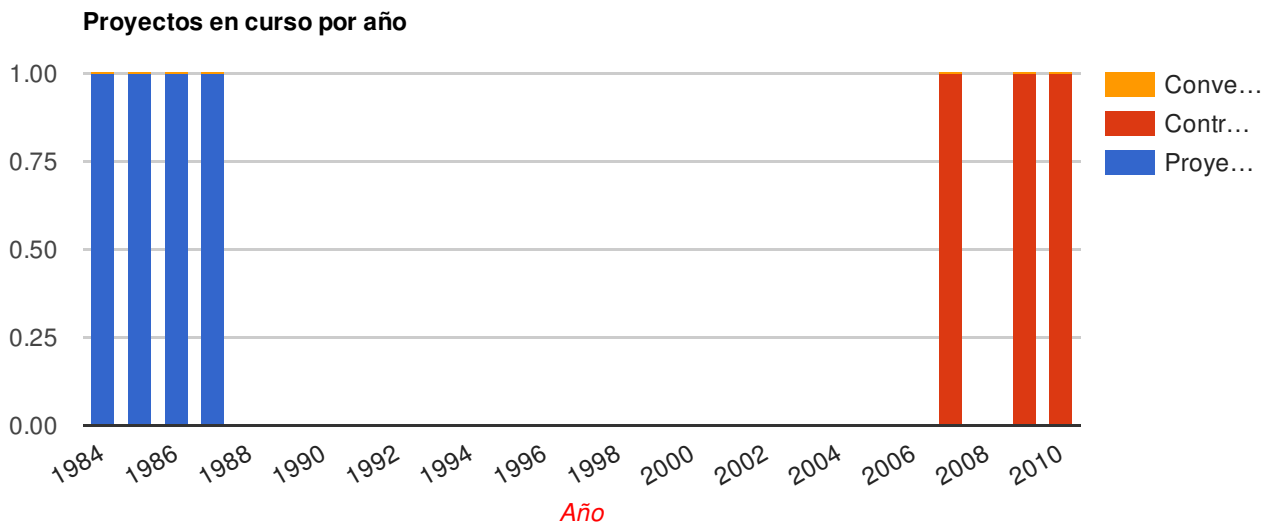

Producción 189

Artículos (147) Libros (4) Capítulos de Libros (22) Tesis dirigidas (16)

Proyectos dirigidos 3

Proyectos (1) Contratos (2) Convenios (0)

Actividades 9

Titulo publicación	Fuente	Tipo	Fecha
Expresión de la esmotelina en la piel normal y tumoral		Tesis doctoral	2016
Pathology and biology of human germ cell tumors	Springer	Libros	2016
Endometrial stromal nodule of the vaginal wall with a review of vulvovaginal endometrial stromal neoplasms	Gynecologic oncology (online)	Articulo	2015
Expulsive medical treatment of ureteral stone with adrenergic alfa-blockers	Medicina clínica	Articulo	2015
Gata binding protein 3 expression is present in primitive patterns of yolk sac tumours but is not expressed by differentiated variants	Histopathology	Articulo	2015
Lipomatous variant of angiomyofibroblastoma involving the vulva: report of 3 cases of an extremely rare neoplasm with discussion of the differential diagnosis	International journal of gynecological pathology	Articulo	2015
Ovarian small cell carcinoma of pulmonary type arising in mature cystic teratomas with metastases to the contralateral ovary	International journal of surgical pathology	Articulo	2015
Ovarian strumal carcinoid containing appendiceal-type mucinous tumor patterns presenting as pseudomyxoma peritonei	International journal of gynecological pathology	Articulo	2015
Pseudomyxoma-type invasión in gastrointestinal adenocarcinomas of endometrium and cervix: a report of 2 cases	International journal of gynecological pathology	Articulo	2015
The impact on survival of an extensive sex cord-like component in mullerian adenosarcomas: a study comprising 6 cases	International journal of gynecological pathology	Articulo	2015
A diagnostic immunohistochemical panel for yolk sac (primitive endodermal) tumours based on an immunohistochemical comparison with the human yolk sac.	Histopathology	Articulo	2014
Ectopic complete hydatiform mole presenting as an adnexal tumor in a postmenopausal patient	International journal of surgical pathology	Articulo	2014
Germ cell tumors of the ovary	Archives of pathology and laboratory medicine	Articulo	2014
Germ cell - sex cord-stromal tumours	Who classification of tumours of female reproductive organs	Capítulo de libro	2014
Germ cell tumours	Who classification of tumours of female reproductive organs	Capítulo de libro	2014
Guías de práctica clínica en cáncer ginecológico y mamario	Sego	Libros	2014
Los tumores germinales. evolución del saco vitelino secundario humano. estudio comparativo del fenotipo del saco vitelino normal con los tumores vitelinos (endodérmicos primitivos)		Tesis doctoral	2014
Monodermal teratomas and somatic-type tumors arising from a dermoid cyst	Who classification of tumours of female reproductive organs	Capítulo de libro	2014
Ovarian paraganglioma	International journal of surgical pathology	Articulo	2014
Patología del endometrio	Patología	Capítulo de libro	2014
Patología del miometrio	Patología	Capítulo de libro	2014
Patología del ovario	Patología	Capítulo de libro	2014

		de libro	
Papillary ependymoma of the endometrium	Histopathology	Articulo	2014
Reproducibility of current classifications of endometrial endometrioid glandular proliferations: further evidence supporting a simplified classification.	Histopathology	Articulo	2014
Treatment of ovarian anaplastic ependymoma by an aromatase inhibitor	Obstetrics & gynecology	Articulo	2014
Una esperanza truncada.luis morillo uña (1901-1937)	Universidad de granada. editorial universidad de granada	Libros	2014
Carcinoma renal asociado con translocación xp11. análisis de dos casos del adulto, uno de ellos con presentación primaria como metástasis ovárica.	Patología	Articulo	2013
Case report: papillary mesothelioma of the peritoneum with foamy cell lining.	Diagnostic pathology	Articulo	2013
Coexistence of placental site nodule and cervical squamous carcinoma in a 72-year-old woman.	International journal of gynecological pathology	Articulo	2013
Finding apoptotic images in dermatopathology.	International journal of surgical pathology	Articulo	2013
lor c2: a tumor associated antigen as potential target for immunotherapy in epithelial ovarian cancer	Acta microscopica	Articulo	2013
An analysis of five clear cell papillary cystadenomas of mesosalpinx and broad ligament: four associated with von hippel-lindau disease and one aggressive sporadic type.	Histopathology	Articulo	2012
Embryonal (botryoides) rhabdomyosarcoma of the uterus harboring a primitive neuroectodermal tumor component	International journal of gynecological pathology	Articulo	2012
Embryonal (botryoides) rhabdomyosarcoma of the uterus harboring a primitive neuroectodermal tumor component		Articulo	2012
Gliomatosis peritonei as a natural experiment in tissue differentiation.	The international journal of developmental biology	Articulo	2012
Necrotic mature ovarian teratoma associated with anti-n-methyl-d-aspartate receptor encephalitis	Pathology research and practice	Articulo	2012
The scream	International journal of surgical pathology	Articulo	2012
The secondary human yolk sac has an immunophenotype indicative of both hepatic and intestinal differentiation.	International journal of developmental biology	Articulo	2012
Tyrosine kinase receptor status in endometrial stromal sarcoma: an immunohistochemical and genetic-molecular analysis	International journal of gynecological pathology	Articulo	2012
Urothelial carcinoma of the renal pelvis with simultaneous trophoblastic and malignant clear cell endodermal-type differentiation	Virchows archiv	Articulo	2012
Yolk sac tumours revisited. a review of their many faces and names.	Histopathology	Articulo	2012
Endometrial intestinal metaplasia: a report of two cases, including one associated with cervical intestinal and pyloric metaplasia.	International journal of gynecological pathology	Articulo	2011
Endometrial metaplasias and reactive changes: a spectrum of altered differentiation	Journal of clinical pathology	Articulo	2011
Evolución, coincidencia y caracterización de la metaplasia ciliada y tubarica del endometrio humano	Universidad de granada. antropología física	Tesis doctoral	2011
Florid, papillary endosalpingiosis of the axillary lymph nodes.	The breast journal	Articulo	2011
Glypican 3 is a sensitive, but not a specific, marker for the diagnosis of yolk sac tumours	Histopathology	Articulo	2011

Diagnosis of yolk sac tumours.

Low grade intraductal breast carcinoma with apocrine features as a precursor of infiltrating apocrine carcinoma	Revista romana de medicina de laborator	Articulo	2011
Ovarian ependymomas of extra-axial type or central immunophenotypes	Human pathology	Articulo	2011
P16 ink4a positivity identifies endometrial surface papillary syncytial change as a regressive feature associated with desquamation.	Histopathology	Articulo	2011
Retroperitoneal seminoma as a first manifestation of a partially regressed (burnt-out) testicular germ cell tumor.	Romanian journal of morphology and embryology	Articulo	2011
Acantholytic-like malignant melanoma: an unusual morphologic variant	The american journal of dermatopathology	Articulo	2010
Axillary lymph nodes atypical florid endosalpingiosis: a very unusual condition associated with metastasis from neuroendocrine carcinoma of the breast	Histopathology	Articulo	2010
Extramammary paget disease of scrotum with oncocytic changes	The american journal of dermatopathology	Articulo	2010
Functioning extraovarian stromal luteinization of the peritoneum	Histopathology	Articulo	2010
Polypoid endometriosis of the uterine cervix with ariastella reaction in a patient taking phytoestrogens	International journal of gynecological pathology	Articulo	2010
Sertoli cell tumor with benign peritoneal implants associated with gonadoblastoma	International journal of gynecological pathology	Articulo	2010
Ultra low dose continuous combined hormone replacement therapy with 0.5mg 17beta-oestradiol and 2.5mg dydrogesterone: protection of the endometrium and amenorrhoea rate	Maturitas	Articulo	2010
Adult extrarenal wilms tumor of the uterus with teratoid features	Human pathology	Articulo	2009
Endometrial aspiration biopsy in the menopause	Evaluarea sangerarii uterine si a patologiei endometriale si miometriale prin metode minim invazive	Capítulo de libro	2009
Melanoma metastasico en paciente de 65 años	Casos clinicos en melanoma avanzado	Capítulo de libro	2009
Retiform uterine tumours resembling ovarian sex cord tumours. a comparative immunohistochemical study with retiform structures of the female genital tract	Histopathology	Articulo	2009
Uterine adenosarcomas overgrown by sex-cord-like tumour: report of two cases.	Journal of clinical pathology	Articulo	2009
Uterine and extrauterine plexiform tumourlets are sex-cord-like tumours with myoid features.	Histopathology	Articulo	2009
Cd10 is a characteristic marker of tumours forming morules with biotin-rich, optically clear nuclei that occur in different organs [2]	Histopathology	Articulo	2008
Malignant mullerian mixed tumor of the ovary associated with yolk sac tumor, neuroepithelial and trophoblastic differentiation (teratoid carcinosarcoma)	International journal of gynecological pathology	Articulo	2008
Patología tractului genital feminin si a glandei	University press târgu mures	Libros	2008
Pecoma maligno uterino asociado con complejo de esclerosis tuberosa. diagnóstico por biopsia aspirativa y revisión de pecomas del aparato genital femenino	Patología	Articulo	2008
Pseudoglandular hepatoid differentiation in endometrioid carcinoma of the ovary simulates oxyphilic cell change	International journal of gynecological pathology	Articulo	2008

Transitional cell carcinoma of the endometrium and endometrial carcinoma with transitional cell differentiation: a clinicopathologic study of 5 cases and review of the literature	Human pathology	Articulo	2008
Endometrial safety assessment of a specific and standardized soy extract according to international guidelines	Menopause	Articulo	2007
Endometrial stromal nodule embedded into term placenta	Apmis. acta pathologica, microbiologica et immunologica scandinavica.	Articulo	2007
Expression of platelet-derived growth factor receptor in low-grade endometrial stromal sarcomas in the absence of activating mutations	Histopathology	Articulo	2007
Metastasis from papillary renal cell carcinoma masquerading as primary ovarian clear cell tumor	Pathology research and practice	Articulo	2007
Mixed epithelial and stromal tumour of the kidney with luteinised ovarian stroma.	Journal of clinical pathology	Articulo	2007
Precusores del adenocarcinoma de endometrio: las hiperplasias endometriales	Progresos de obstetricia y ginecología	Articulo	2007
Prólogo	Monstruos, ostentos y hermafroditas	Capítulo de libro	2007
Revisión histogenética de los tumores testiculares germinales	Universidad de granada. cirugía y sus especialidades	Tesis doctoral	2007
An immunohistochemical study of morules in endometrioid lesions of the female genital tract: cd10 is a characteristic marker of morular metaplasia	Clinical cancer research	Articulo	2006
Estado actual del diagnóstico de las hiperplasias endometriales en muestras de biopsia	13er curso de patología.	Capítulo de libro	2006
La biopsia endometrial aspirativa (bea) en diversos tratamientos hormonales de la menopausia	13er curso de patología.	Capítulo de libro	2006
La biopsia endometrial aspirativa (bea) en diversos tratamientos hormonales de la menopausia	Patología	Articulo	2006
Características clinicopatológicas del endometrio sometido a diferentes pautas de tratamiento hormonal	Universidad de granada. obstetricia y ginecología	Tesis doctoral	2005
Características clinicopatológicas del endometrio sometido a diferentes pautas de tratamiento hormonal	Servicio andaluz de salud. obstetricia y ginecologia	Tesis doctoral	2005
Congenital juvenile granulosa cell tumor of the testis in a fetus showing full 69, xxy triploidy	International journal of surgical pathology	Articulo	2005
Gonadotropin-releasing hormone receptor expression in endometrial stromal sarcomas: an immunohistochemical study	Modern pathology	Articulo	2005
Mucinous carcinoid as an unusual manifestation of endodermal differentiation in ovarian yolk sac tumors	The american journal of surgical pathology	Articulo	2005
Perivascular epithelioid cell (pec) tumors of the uterus: a clinicopathologic study of two cases with aggressive features.	Modern pathology	Articulo	2005
Pure testicular carcinoid associated with intratubular germ cell neoplasia	Journal of clinical pathology	Articulo	2005
Vulvar trichogenic tumors - a comparative study with vulvar basal cell carcinoma	The american journal of surgical pathology	Articulo	2005
Endometrial coccidiosis.	Journal of clinical pathology	Articulo	2004
Utilidad clínica de los marcadores tumorales séricos	Atención primaria	Articulo	2004
Cd10 expression in epithelial tissues and tumors of the	The american journal of surgical		2000

gynecologic tract - a useful marker in the diagnosis of mesonephric, trophoblastic, and clear cell, tumors	pathology	Artículo	2003
Epithelial tumours and related lesions	Who classification of tumours (blue books). iii. pathology and genetics of tumours of the breast and female genital organs	Capítulo de libro	2003
Germ cell tumours	Who classification of tumours (blue books). iii. pathology and genetics of tumours of the breast and female genital organs	Capítulo de libro	2003
Los tumores de células germinales del ovario. avances anatomoclínicos en los últimos tres lustros	Revisiones en cáncer	Artículo	2003
Sex cord-like, neuroectodermal and neuroendocrine tumours, lymphomas and leukaemias	Who classification of tumours (blue books). iii. pathology and genetics of tumours of the breast and female genital organs	Capítulo de libro	2003
Tumours and related lesions of the rete ovarii	Who classification of tumours (blue books). iii. pathology and genetics of tumours of the breast and female genital organs	Capítulo de libro	2003
Adenomatoid tumors of the uterus: an analysis of 60 cases	International journal of gynecological pathology	Artículo	2002
Florid vascular proliferation in grade 0 glial implants from ovarian immature teratoma	International journal of gynecological pathology	Artículo	2002
Functioning uterine sex cord tumour	Histopathology	Artículo	2002
Retiform sertoli-leydig cell tumours: clinical, morphological and immunohistochemical findings	Histopathology	Artículo	2002
Adenomatoid tumors of the uterus: an analysis of 60 cases	International journal of gynecological pathology	Artículo	2001
Appreciation to hernando salazar md 1931-2001	International journal of gynecological pathology	Artículo	2001
Don francisco y las hiperplasias	Acta ginecologica	Artículo	2001
Estudio prospectivo biomoleculares de las mutaciones de los genes p53 y k-ras en pacientes sometidas a tratamientos con tamoxifeno	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	2001
In memoriam francisco nogales ortiz (1908-2001)	Patología	Artículo	2001
Mesonephric adenocarcinoma of the uterine corpus - cd10 expression as evidence of mesonephric differentiation	The american journal of surgical pathology	Artículo	2001
Ovarian endometriosis and clear cell carcinoma, leiomyomatosis peritonealis disseminata, and endometrial adenocarcinoma: an unusual, pathogenetically related association	International journal of gynecological pathology	Artículo	2001
Rectal endometrial stromal sarcoma arising in endometriosis - report of a case	Diseases of the colon & rectum	Artículo	2001
The pathology of germ cell tumours.	Obstetrical and gynaecological pathology	Capítulo de libro	2001
Villoglandular adenocarcinoma of the vulva	Gynecologic oncology (online)	Artículo	2001
Endometrial hyperplasias.	The american journal of surgical pathology	Artículo	2000
Endometrial intraepithelial neoplasia (ein): will it bring order to chaos?	Gynecologic oncology (online)	Artículo	2000
Endometrioid neoplasia retrogressive terminology - reply	The american journal of surgical pathology	Artículo	2000
Expresión inmunohistoquímica de glicoproteína n como	Revista española de cirugía		

Expresión inmunohistoquímica de glicoproteína p como factor pronóstico en sarcomas óseos	Revista española de cirugía ortopédica y traumatología	Artículo	2000
Merkel cell (neuroendocrine) carcinoma of the vulva - a case report with immunohistochemical and ultrastructural findings and review of the literature	Pathology research and practice	Artículo	2000
Organization of a department of pathology.	University management handbook; development of modernized management structures	Capítulo de libro	2000
Papillary serous carcinoma of the tunica vaginalis testis	Pathology research and practice	Artículo	2000
Pure cystic nephroblastoma of the ovary with a review of extrarenal wilms' tumors	Human pathology	Artículo	2000
A multicentric european study testing the reproducibility of the who classification of endometrial hyperplasia with a proposal of a simplified working classification for biopsy and curettage specimens	The american journal of surgical pathology	Artículo	1999
Estudio endometrial mediante ecografía vaginal, fluxometría doppler e histeroscopia en pacientes con cancer de mama tratadas con tamoxifeno	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1999
Hepatocytic differentiation in retiform sertoli-leydig cell tumors: distinguishing a heterologous element from leydig cells	Human pathology	Artículo	1999
La investigación en patología.	Libro blanco de la anatomía patológica en españa	Capítulo de libro	1999
La investigación en patología	Libro blanco de la anatomía patológica en españa	Capítulo de libro	1999
Mullerianosis of the ureter: a metaplastic lesion	The journal of urology	Artículo	1999
Ovarian prostatic tissue originating from hilar mesonephric rests	The american journal of surgical pathology	Artículo	1999
Pregnancy luteoma with granulosa cell proliferation: an unusual hyperplastic lesion arising in pregnancy and mimicking an ovarian neoplasia	Pathology research and practice	Artículo	1999
Case report: extrauterine (tubal) placental site nodule.	Histopathology	Artículo	1998
Extrauterine (tubal) placental site nodule	Histopathology	Artículo	1998
Mullerianosis of the urinary bladder: clinical and immunohistochemical findings	Histopathology	Artículo	1998
Tamoxifen effects	The american journal of surgical pathology	Artículo	1998
Acid secretion, parietal cell mass and helicobacter pylori	The american journal of gastroenterology	Artículo	1997
Adenomas of the rete ovarii	Human pathology	Artículo	1997
Cancer incidence in spain.	Cancer incidence in five continents	Capítulo de libro	1997
Chronic cyclosporin a nephrotoxicity, p-glycoprotein overexpression, and relationships with intrarenal angiotensin ii deposits	The american journal of pathology	Artículo	1997
Hermafroditismo verdadero.	La evolución de la sexualidad y los estados intersexuales	Capítulo de libro	1997
La hiperplasias atípicas del endometrio.	Enfermedades del endometrio	Capítulo de libro	1997
Molecular analysis of synchronous uterine and ovarian endometrioid tumors	International journal of gynecological pathology	Artículo	1997
Virilizing mature ovarian cystic teratomas	Virchows archiv	Artículo	1997
Massive ovarian oedema	Histopathology	Artículo	1996

Ovarian endometrioid tumors with yolk sac tumor component, an unusual form of ovarian neoplasm - analysis of six cases	The american journal of surgical pathology	Articulo	1996
Parietal cell hyperactivity is not due to helicobacter pylori infection in patients with duodenal ulcer	The american journal of gastroenterology	Articulo	1996
Prognostic factors in endometrial neoplasia: old and new	Current opinion in obstetrics & gynecology	Articulo	1996
Different patterns of hla-dr antigen expression in normal epithelium, hyperplastic and neoplastic malignant lesions of the breast	European journal of immunogenetics (print)	Articulo	1995
Iud-associated pelvic actinomycosis - a report of 5 cases	International journal of gynecological pathology	Articulo	1995
Large-cell calcifying sertoli-cell tumor of the testis	Histopathology	Articulo	1995
Small-cell epidermoid carcinoma with melanocyte colonization arising in a mature ovarian cystic teratoma	Archives of pathology	Articulo	1995
Embryologic clues to human yolk-sac tumors - a review	International journal of gynecological pathology	Articulo	1993
Granulosa-cell tumor of the ovary with diffuse true hepatic differentiation simulating stromal luteinization	The american journal of surgical pathology	Articulo	1993
Ectopic somatic endoderm in secondary human yolk-sac	Human pathology	Articulo	1992
Hiperplasia glandular atípica del endometrio. consideraciones anatomoclínicas.	Acta ginecologica	Articulo	1992
Immunohistochemical profile of basement-membrane proteins and 72 kilodalton type-iv collagenase in the implantation placental site - an integrated view	Laboratory investigation	Articulo	1992
Regression of peritoneal leiomyomatosis after treatment with gonadotropin-releasing-hormone analog	International journal of gynecological cancer	Articulo	1992
Estudio histológico e inmunohistoquímico de la patología benigna y premaligna de la próstata	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1991
Myxoid leiomyosarcoma of the ovary - analysis of 3	Human pathology	Articulo	1991
Nephrogenic adenoma of the ureter	British journal of urology	Articulo	1991
Papilomavirus humanos en lesiones benignas, premalignas y malignas de cavidad oral. estudio mediante hibridación in situ	Universidad de granada. estomatología	Tesis doctoral	1991
Pseudomyxoma peritonei-et-ovarii associated with sequential ovarian and appendicular tumors and acromegaly	Gynecologic oncology (online)	Articulo	1991
Uterine müllerian adenosarcoma with histiocytic (xanthomatous) mesenchymal component	Histology and histopathology	Articulo	1991
Differentiation in medulloblastomas immunohistochemical study of twenty-one cases	Applied pathology	Articulo	1989
Estudio clinico y patologico de 79 casos de queratocono: aportaciones a su patogenesis	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1989
Morfometría de la mucosa gástrica en la enfermedad ulcerosa péptica	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1989
Pure testicular choriocarcinoma	Actas urológicas españolas	Articulo	1989
Tumores müllerianos mixtos del tracto genital femenino	Universidad de córdoba. especialidades médico-quirúrgicas	Tesis doctoral	1989
Leiomyomas of the ovary	International journal of gynecological pathology	Articulo	1988
Olliers disease associated with ovarian juvenile granulosa-cell tumor	Cancer	Articulo	1988
Metastatic granulosa-cell tumor with pattern of sex cord	International journal of gynecological		

metastatic granulosa-cell tumor with pattern of sex cord tumor with annular tubules	International journal of gynecological pathology	Articulo	1987
Uterine intravascular leiomyomatosis - an update and report of 7	International journal of gynecological pathology	Articulo	1987
Analisis morfofotometrico de 66 casos de linpomas no hodgfin	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1986
Tiroglobulina, t4, t3 y calcitonina en los tumores malignos primitivos de la glándula tiroides: estudio inmunohistoquímico de 102 casos.	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1986
Carcinoma gastrico: aproximacion a su realidad biologica mediante un estudio morfologico, histoquimico, inmunohistoquimico y ultraestructural	Universidad de granada. anatomía patológica e historia de la ciencia	Tesis doctoral	1985
Fibrolamellar hepatocellular carcinoma. an immunohistochemical and ultrastructural study.	Histopathology	Articulo	1985
Benign heterologous tissue components associated with endometrial carcinoma	International journal of gynecological pathology	Articulo	1982
Cistadenoma mucinoso del ovario con nódulos pseudosarcomatosos de células gigantes	Revista española de obstetricia y ginecología (madrid)	Articulo	1982
Primary chondrosarcoma of the ovary	Histopathology	Articulo	1982
Tumores mucinosos del ovario asociados a teratoma quístico benigno	Patología	Articulo	1982
Bilateral incipient germ-cell tumors of the testis in the incomplete testicular feminization syndrome	Histopathology	Articulo	1981
Granulomas corticales del ovario, presentación de un caso y diagnóstico diferencial de la enfermedad granulomatosa genital	Revista española de obstetricia y ginecología (madrid)	Articulo	1981
Lymphoma of the penis	Journal d'urologie	Articulo	1981
Rabdomiosarcomas embrionarios paratesticulares	Actas urológicas españolas	Articulo	1981
Teratoma testicular inmaduro con metástasis diferenciadas	Morfología normal y patológica. sección b. anatomía patológica	Articulo	1981
Metanephrogenic tissue in immature ovarian teratoma	The american journal of surgical pathology	Articulo	1980
Síndrome de dubin-johnson	Morfología normal y patológica. sección b. anatomía patológica	Articulo	1980
Case-report - ultrastructure of mature neurogenic implants from ovarian immature teratoma	Histopathology	Articulo	1979
Mixed brenner and adenomatoid tumor of the testis - ultrastructural-study and histogenetic considerations	Cancer	Articulo	1979
Necrotizing sialometaplasia affecting the minor labial glands	Oral surgery, oral medicine, oral pathology, oral radiology and endodontics	Articulo	1979
Pathology of female genital tuberculosis - 31-year study of 1436 cases	Obstetrics & gynecology	Articulo	1979
Squamous-cell neoplasms arising from ovarian benign cystic teratoma	Gynecologic oncology (online)	Articulo	1979
Normal menstrual-cycle - chronology and mechanism of endometrial desquamation	Obstetrics & gynecology	Articulo	1978

	Título proyecto	Tipo	Inicio	Fin
1	Determinación inmunohistoquímica de marcadores pronóstico en cáncer de ovario.	Contrato	12/1/09	7/31/10
2	Endometrial safety of a low dose continuous 17 b-estradiol/dydrogesterone hormone replacement regimen (e2, 0.5 mg/ d 2.5 mg) in postmenopausal women - a one-year, open label, multi-center study	Contrato	1/1/07	9/30/07
3	Diferenciación neoplásica. control experimental, embriológico y químico de la malignidad tumoral	Proyecto	1/1/84	12/31/87

Actividades 9

Título actividad	Fuente	Tipo	Fecha
Profesor invitado a 3ª reunión del grupo de trabajo de patología del endometrio del working group of gynaecopathology de la european society of pathology		Grupos y equipos de investigació	Mar 2, 2012
Asistencia a la reunión del grupo de trabajo endometrial complex lesions study		Grupos y equipos de investigació	Dec 14, 2012
Participación en comité de revista: patología: revista latinoamericana		Comités científicos de revista	Jan 1, 2004
Participación en comité de revista: citología		Comités científicos de revista	Jan 1, 1986
Participación en comité de revista: revista española de patología		Comités científicos de revista	Jan 1, 1987
Participación en comité de revista: arquivos de patologia geral e anatomia patologica		Comités científicos de revista	Jan 1, 1988
Participación en comité de revista: pathology case reviews		Comités científicos de revista	Oct 1, 1999
Participación en comité de revista: histopathology		Comités científicos de revista	Oct 1, 2000
Participación en comité de revista: international journal of gynecological pathology		Comités científicos de revista	Oct 1, 2000
