

MERCEDES MOLINA MORALES

Grupo de Investigación: Conservación y Restauración de Ecosistemas y Agroecosistemas (Cod.: RNM918)

Departamento: Universidad de Granada. Zoología

Código ORCID: <http://orcid.org/0000-0001-8669-6624>

Mendeley: <https://www.mendeley.com/profiles/mercedes-molina-morales/>

Correo electrónico: merche@ugr.es

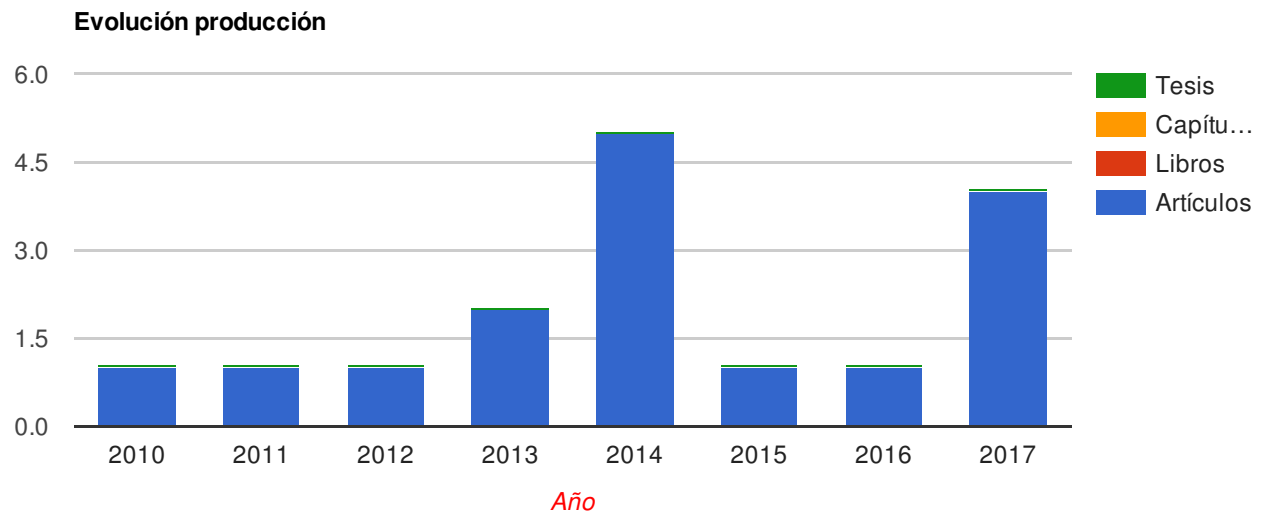

Código: 54151

Ficha del Directorio

Producción 16

Artículos (16) Libros (0) Capítulos de Libros (0) Tesis dirigidas (0)

Proyectos dirigidos 0

Proyectos (0) Contratos (0) Convenios (0)

Actividades 0

Título publicación	Fuente	Tipo	Fecha
An experimental test of host's life history traits modulation in response to cuckoo parasitism risk	Plos one	Articulo	2017
Effective nut dispersal by magpies (pica pica l.) in a mediterranean agroecosystem	Oecologia	Articulo	2017
Host nest site choice depends on risk of cuckoo parasitism in magpie host	Behavioral ecology	Articulo	2017
Papel de los estudios comportamentales en ecología	Ecosistemas	Articulo	2017
Criteria for host selection in a brood parasite vary depending on parasitism rate	Behavioral ecology	Articulo	2016
Ecología y evolución de las interacciones parásito de cría-hospedador: un estudio longitudinal con individuos marcados.	Revista catalana d'ornitologia	Articulo	2015
Cuckoo hosts shift from accepting to rejecting parasitic eggs across their lifetime.	Evolution: international journal of organic evolution	Articulo	2014
Characterization of 28 microsatellite loci in the european roller coracias garrulus (coracidae, aves)	European journal of wildlife research	Articulo	2014
Climatic effects and phenological mismatch in cuckoo ¿ host interactions: a role for host phenotypic plasticity in laying date?	Oikos	Articulo	2014
Do climatic conditions affect host and parasite phenotypes differentially? a case study of magpies and great spotted cuckoos	Oecologia	Articulo	2014
The multidimensionality of behavioural defences against brood parasites: evidence for a behavioural syndrome in magpies?	Behavioral ecology and sociobiology	Articulo	2014
Assessing the effects of climate on host-parasite interactions: a comparative study of european birds and their parasites	Plos one	Articulo	2013
Evidence of long-term structured cuckoo parasitism on individual magpie hosts	Journal of animal ecology	Articulo	2013
Factors affecting natal and breeding magpie dispersal in a population parasitized by the great spotted cuckoo	Animal behaviour	Articulo	2012
Salvage logging versus the use of burnt wood as a nurse object to promote post-fire tree seedlings establishment	Restoration ecology	Articulo	2011
Evaluating a vegetation-recovery plan in mediterranean alpine ski slopes: a chronosequence-based study in sierra nevada (se spain)	Landscape and urban planning	Articulo	2010
