

## Definitive list of successful and unsuccessful applications of the Athenea3i Fellowship Programme - Second call 2018

In accordance with the Athenea3i Fellowship programme requirements and following the administrative review of the submitted applications:

**First.** This definitive list includes the successful and unsuccessful applications to go through the evaluation process, as well as the specific causes of unsuccessful applications.

**Second.** Successful applications will automatically go through to the evaluation process ([https://athenea3i.ugr.es/?page\\_id=27](https://athenea3i.ugr.es/?page_id=27)). The results of the evaluation process will be published in May - June 2019. ([https://athenea3i.ugr.es/?page\\_id=286](https://athenea3i.ugr.es/?page_id=286)).

**PLEASE NOTE:** Applicants may be requested to submit additional supporting documents at any stage during the evaluation process.

**Third.** Unsuccessful applications are definitively excluded from the evaluation process.

Causes of unsuccessful applications:

Unsuccessful applications (definitive)	
U1	Form A has not been submitted or not follows the template or it is not duly signed.
U2	Form B has not been submitted or not follows the template for any reason.
U3	Limit of candidates per supervisor exceeded
U4	Appeal Application Form has not been submitted
U5	Insufficient and/or inadequate documentation or information to amend the cause of rejection
U6	No appeal has been submitted

Granada, 29 October 2018

**Vice-Rector for Research and Knowledge Transfer**
